The route written below is the most direct. It is not the shortest in distance, but it is the shortest in time. Your sat nav might take you a different way; if it does, pick up the instructions at around number 10.

10. At the roundabout, take the 3rd exit onto Henley Rd/A4130
11. Follow the road for roughly 1 mile
12. Turn right into High Street, continue down for around 1 mile

### **Parking:**

- a. Just after Mill Lane on your right, turn left into the entrance for Hurley Riverside Park (first photo).
- b. Follow the road as it veers left and go around the corner to the right.
- c. Continue straight ahead towards “Riverside Picnic Ground” and pull up in front of the barrier (second photo). Type the code 1108 and park here! This parking is for us only, but please park creatively and leave room for the evening guests!
- d. Leave the car park the way you came in, walking straight back across the tarmac. On your left you will find a dirt path – the barn is down here, on the right.

### **Drop off:**

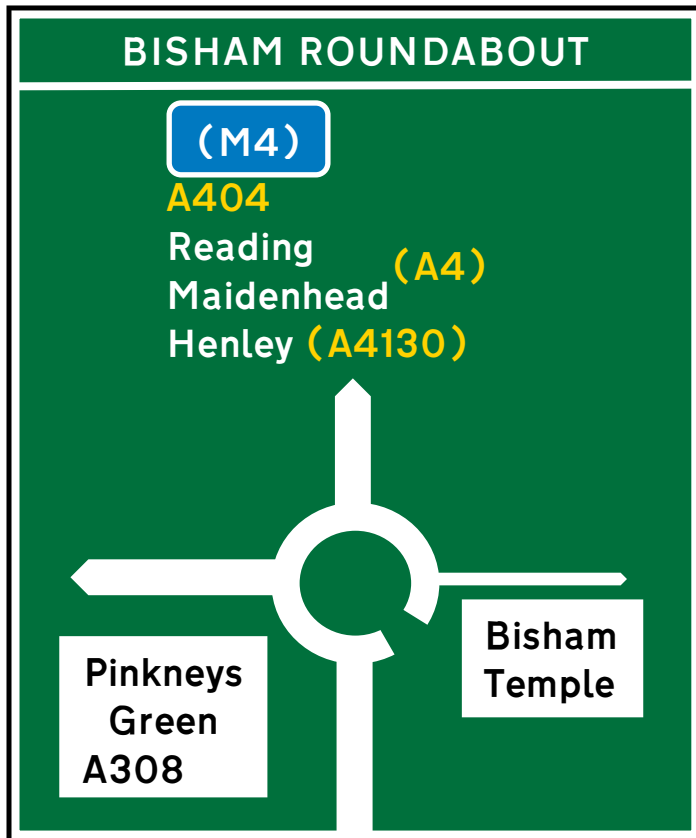

- a. If you would like to drop off your passengers before parking (e.g. if it has been raining or they are wearing high heels), continue to the end of High Street – on your left you will find a big public car park. The barn’s gate is in this car park on the left. Drop your passengers here.
- b. Please then drive back up High Street and turn into the entrance described in the parking instructions above (now on the right at the end of the first set of buildings)
